CLEANING AND MAINTENANCE

Easy clean AAA grade enamel interior.
Clean stainless steel using only recommended stainless steel cleaning products. No abrasives, corrosive detergents, bleaches or acids not required for cleaning the oven.

5 MULTI-FUNCTIONS:

CONVENTIONAL

This method of cooking provides traditional cooking with heat from the top and lower elements. Particularly suitable for traditional roasting and baking on the centre shelf only.

FULL GRILL

Full grill is the perfect option for quick grilling. Toast your favourite meals or finish off the tops of your recipes.

TOP ELEMENT

The perfect option for slow cooking your favourite meals or finish off the tops of your recipes.

BOTTOM ELEMENT

Great for pizza cooking, the bottom element creates the perfect cooking function for base cooked food.

FASTER GRILLING

This function is used for faster grilling and for covering a larger surface area, such as grilling meats.
